HAVE YOU HEARD THE RUMOR?

Dear Students

If you have heard a rumor that Bethany is closing, don't you believe it!!!

Bethany Divinity College and Seminary is currently in the process of relocating its campus. In recent years, with the advancement of technology and different methods of operation, we have been able to reduce staff and the need for paper files, leaving us with unused office space and buildings. We are currently seeking a new location that will enable us to be better stewards of our resources. You will continue to receive the best that Bethany has to offer during this transition and we will greatly appreciate your prayers for us. We will keep you informed as our plans progress. In Christian Service, I am

Respectfully yours
